ORDER

APPLICATION 8828

PERMIT 4882

LICENSE 10735

ORDER ALLOWING TEMPORARY CHANGE IN PLACE OF USE

WHEREAS:

1. License 10735 was issued to the County of San Mateo and was recorded with the County Recorder of San Mateo County on October 7, 1976 in Volume 7262, page 601 of the official records.
2. License 10735 authorizes diversion of 0.068 cubic foot per second from January 1 to December 31 of each year, not to exceed 0.94 acre-foot in any seven-day period or 29 acre-feet per year, for domestic and fire protection uses in a place of use within the SE $\frac{1}{4}$ of Section 33 and SW $\frac{1}{4}$ of Section 34, all of T7S, R4W, MDB&M, which place being also known as Memorial Park.
3. The drought condition on the San Mateo County Coastside has become very acute. Many Coastside residents are virtually without water.
4. The County proposes to establish dispensing stations at Pescadero and San Gregorio, from which water imported by tank truck from the County Bayside Area will be distributed to Coastside County residents.
5. The County states it will take 3-4 weeks to construct the dispensing stations, and an eight-week period would cover any unforeseen delays in construction.
6. The County has requested a temporary change in place of use for water diverted under License 10735 in order to serve Coastside residents who are without water until the dispensing stations are set up. Water will be released directly from the Memorial Park water storage tanks and releases will be limited to twenty gallons per person per day.
7. The Board has determined that this temporary change in place of use will not require a change in source or increase in amount or create an injury to any other legal user of water, and that cause for such change exists due to drought conditions.

NOW, THEREFORE, IT IS ORDERED:

THAT PORTION OF SAN MATEO COUNTY KNOWN AS THE 'COASTSIDE AREA', WHICH IS THAT AREA OF THE COUNTY ON THE PACIFIC OCEAN SIDE OF THE DRAINAGE BOUNDARY BETWEEN THE OCEAN AND SAN FRANCISCO BAY.

2. The Board shall, at its next regular meeting, review and validate this temporary order including the findings upon which it was issued, and should the Board fail or refuse to validate this temporary order it shall stand revoked and be of no further force or effect.

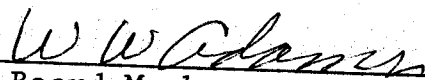

STATE WATER RESOURCES CONTROL BOARD

Based upon the record in this matter, I find:

- A. That the licensee herein has an urgent but only temporary need to change the place of use for a period not to exceed eight weeks.
- B. That such change may be affected without injury to any lawful user of water, and without unreasonable effect upon fish, wildlife, or other instream beneficial uses.
- C. That the change ordered herein is a specific action necessary to prevent or mitigate an emergency.

Accordingly, issuance of the temporary change order is hereby authorized:

Dated: August 29, 1977

Board Member

In accordance with the foregoing, the temporary change order is hereby issued.
